Facts so easy, you'll keep on track.  
How many books? Let's say it loud —  
The Catholic Bible makes us proud!

## VERSE 1

The Bible's got a number that's great —  
Seventy-three books to celebrate!  
Old Testament's forty-six, say "Yes!"  
New Testament's twenty-seven, no less!  
Add 'em up, you got the key:  $46 + 27 = 73$ !

## CHORUS

Bible Breakdown — say it clear!  
How many books? Let's all cheer!  
Seventy-three! Seventy-three!  
That's God's Word for you and me!

## VERSE 2

Old Testament has four big parts,  
Each one special, close to our hearts:  
Pentateuch— laws from God,  
Historical Books— journeys abroad,  
Wisdom Books— prayers and praise,  
Prophetic Books — calling God's ways!  
Pentateuch! Historical! Wisdom! Prophets!
